The BRIDGE

Building Responsible Individuals Demonstrating Godliness to Everyone

Pastor's Corder Note

Beloved Braddock there's been a sweet sweet spirit around this place lately and I know that it's the Spirit of the Lord and I pray that each of you will continue to seek Him wholeheartedly as we go forward. Lord bless you.

Pastor Timothy

Sunday School

Hello! And welcome to the Summer Quarter of Sunday School.

As promised we finished up the Spring quarter in our study of the book of Matthew. The last lesson finished with the question, "What Do We Do Now? Do you remember what we are to do now? If not, simply read the last two verses in the book of Matthew in God's Word where Jesus commands us to:
"Go therefore, and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe everything I have commanded you. And remember, I am with you always, to the end of the age."

Are you ready to "GO" ?

Here is some good news; you can continue in your preparation "to go" by coming to Sunday School to learn and to grow by studying The Book of Psalms during our Summer quarter. As Dr. Robert Smith, Jr., the General Editor of our lesson material tells us:

"This study in the Book of Psalms holds good news for you. A psalmist has likely written about whatever feelings you might experience in any situation in which you find yourself. These lessons speak to those who are soaring on the heights of spiritual growth and to those who are in the depths of spiritual weakness. It legitimizes the feeling of those seeking God's recompense for persecutors and those seeking forgiveness for doing wrong to others. It teaches lessons for dealing with the perils or the successes of life with great grace, patience, and faith while extolling the loving kindness of our God, who is always worthy of praise. This journey through the Book of Psalms is for you."

Come and experience this awesome journey during the summer.

Youth are working on the study of Joshua. As always the preschool and children's classes will be building on their foundation of Jesus as they also continue to grow and mature.

There is a Sunday School class for everyone!

Welcome June and the celebration of Father's Day and the beginning of Summer!

See You In Sunday School and Worship

THE

INTERN

Salas (who was just baptized) and Melanie Bennett are heading to Peru for a missions trip! How exciting!

June will bring the start of summer too and we as a church family are reaching out to our community for the name of Christ! We hope you will join us in reaching out to our community!

God bless June and may we receive His grace through the whole month.

~In His Service,
JJ Engelbrecht; The Intern & Worship Pastor

Stewardship Report

Reminder: your BBC Sunday Counters as well as bank personnel have to read what you write on your checks.

We ask that you write your checks neatly so there is no ambiguity in what you write for the check amount. This is the amount that the banks use and it assists the tellers when you write neatly to know how much to debit from your checking account (and writing neatly will also ensure your check is cashed for the amount you intend)!

Good June!

What a month May was for me personally. Having a birthday is just such a reminder consistently that one day I'll be old and wise. I guess that means for now I'll just be young and learn!

This month to come brings a lot to BBC. We have a Youth Sunday in June that will be awesome! Not only are our youth leading a service, but we are also sending some of our young adults out to lead the nations to Christ! Our very own Dave

BBC Board of Directors

This article is submitted to provide more information on the BBC Board of Directors (Board). Generally, the Board oversees the legal, business, financial, and administrative affairs of Braddock Baptist Church (See Article IV in the BBC Constitution and By-Laws for more information). In the continued spirit of transparency, we will start publishing a summary of Board meetings via the Bridge as well as make minutes available in the Church office in a more timely manner.

miHi youth

Hello BBC! Your youth will be giving their testimonies this Sunday, June 4 for Children & Youth Sunday. Come worship with us and see their beautiful testimonies and hearts as they give themselves to the Lord. They are living out the Scripture and understand that they will overcome by the blood of the Lamb and the Word of their testimony.

We're looking forward to a fun summer here for the youth at BBC! Don't pack your kid's schedules to tight!! Leave some room for church events as we will be working on missions projects and some youth room update days as well. For more info, always feel free to text/call or email me.

Blessings,
Cristina Riojas rio@BraddockBaptistChurch.org
